Happy 4th of July

FROM THE COMMITTEE...

Summer is in full swing and we are looking forward to celebrating 4th of July at the lake! Lots of exciting activities to enjoy including the annual golf cart parade! Did you know we had a Bicentennial Parade in 1976?

In this issue, we take a look at 4th of July golf cart parades of the past and highlight the next decade of our history, the 80s!

As a reminder, each issue of this newsletter will be available in the lodge and member services so be sure to grab your copies.

If you have pictures or ideas for future newsletters, please reach out to us at alcacelebrates60@gmail.com.

We look forward to seeing you in the parade!

DECADE SPOTLIGHT

Enjoying days at the lake...

The 80s brought new recreational activities as the membership of ALCA continued to grow! Activities such as tennis, golf, and softball leagues were popular and lots of friendships formed. In addition to sports, other popular activities included tube races, scavenger, and Easter egg hunts. The Garden Club and Book Discussion Club ensured there was something for everyone. All American Realty and Old Library Theater also produced "Godspell" and brought a "bit of Broadway" to community members.

ALCA also had a mini golf course by Minisink Pool, which many remember but few took pictures of! We heard from community members that they enjoyed a round of mini golf for \$1.00. The Minisink pool also had a bath house, (pictured below) including a sauna and game room. The floating docks were also a fun summer activity that continued for many years.

NEW YEAR'S EVE DANCE
Gala New Year's Eve Party is planned again at the Arrowhead Lake Clubhouse. Al and Betty Link are the chairpersons for this affair. A live band, buffet, party favors are on the agenda. Time - 10:00 p.m. to 2:00 a.m. B.Y.O.B.

SECURITY
The Security Chairman suggests that persons not using their homes on a daily basis bring their garbage and trash to the dumpsters located by the Maintenance Building located by Beach #1. This way when they leave their homes unused, there's no spilling the garbage and empty garages left in front of their property are not obvious signs that their homes are vacant.

The New Year's Eve party now required reservations as it grew in popularity. Cost was increased to \$25.00 a couple.

TALENT SPOTLIGHT

**OFFICIAL
MAYOR OF
ARROWHEAD
LAKE
WINTER
WONDERLAND
JIM MULLEN SR**

MEET THE JIM MULLEN SR...

Jim Mullen Sr. has a very important title here at ALCA! He has been named the Official Mayor of Arrowhead Lake Winter Wonderland!

In 2020, Jim and a group of 12 people met to create something that was never done before! They have created Arrowhead's own "Winter Wonderland"! With a large group of volunteers and his partner in crime, Jeff Kacmar, Jim started decorating the island pavilion and the end result was fantastic! The first year, they had 2000 visitors and after some improvements and enhancements, they had 3000 visitors last year!

Jim could be found during the month of December running the trains and taking pictures of the families who enjoyed the winter wonderland! Jim used his woodworking talents to hand-make decorations that were used throughout the pavilion.

Jim and his wife, Peggy bought their property on Teepee Circle in 1976. They were originally part time and spent as much time as possible in Arrowhead. They are now full time residents. In addition, their son Jim Jr. is also full time resident.

Jim and Peg have been very involved with ALCA for many years before the winter wonderland. Peg served two terms on the Board of Directors and Jim was a member of the seniors group and served as president for two terms. Jim was also involved with the golf and tennis group. He became a certified tennis instructor and responsible for having the practice wall at the island courts built. He also played for the community softball league in the 80s. He was a proud member of the Chipmunks! A big thanks to Jim for sharing his woodworking talents with our community!

Pictured above: Some of Jim's handmade creations!

VOLUNTEERS WHO CREATED SUCH A
WONDERFUL EVENT FOR THE ALCA
COMMUNITY!**
